“I love sharing my knowledge and passion for fine watches including Rolex, [Tag Heuer](#), OMEGA, and other key watch brands,” explained Ron Gordon, proprietor of Ron Gordon Watch Repair. “In the article, I explain some of the key features that I really admire in the OMEGA brand. But regardless, as New Yorkers turn to gift-giving, I’m happy to inspect any luxury Swiss watch such as Rolex, Tag Heuer,

and/or OMEGA and help a potential buyer to make a smart choice.”

The Forbes article is entitled, “The Best Watch Brands To Wear And Gift To Others, From Starter Models To Total Splurges Worth Collecting”, and can be found at <https://www.forbes.com/sites/forbes-personal-shopper/article/best-watch-brands/>. In the article, Ron explains, “From a mechanic’s point of view, I like Omega movements—such as caliber 1120 and 861—because they’re well-constructed workhorses,” says New York City watchmaker Ron Gordon. “The cases are also functional and incredibly sturdy.”

OMEGA is one of the most popular watch brands that Ron deals with in his watch repair shop. Conveniently offering watch repair near Grand Central Station, Ron brings watch repair to New York residents who own luxury watches. Many New Yorkers inherit a watch such as an OMEGA heirloom from a parent or grandparent. Others purchase one on eBay or from a dealer in pre-owned watches. Still others have the luck to find one in an abandoned drawer or attic. However

one comes into the possession of an OMEGA watch, the next best step is to bring it into Ron for an inspection, tune-up, and (if necessary) a repair. No one has a reputation better than Ron as the best watch repair in New York City for OMEGA at <https://www.rongordonwatches.com/omega-watch/>.
