

WireFX Partners with Endurium As Compliance Partner

MINNEAPOLIS, MN, UNITED STATES, October 27, 2022 /EINPresswire.com/ -- [WireFX](#), a Minnesota based fintech startup selects [Endurium](#), a leader in compliance and business process excellence, to serve as their compliance partner.

“

We are a technology and compliance first company so our partnership with Endurium was critical for WireFX as it now operates at the level of a National Bank”

Jeff Althaus, WireFX CEO

Coming on the heels of their national bank sponsorship announcement, WireFX, the fintech with a best in class Global Payments as a Service (GPaaS) platform, selects Endurium to align their business and deploy a thorough compliance management program.

“We are a technology and compliance first company so our partnership with Endurium was critical for WireFX as it now operates at the level of a National Bank and extends products and services to fintech and payments

companies,” said Jeff Althaus, WireFX CEO. “Endurium is familiar with the industry and is already working with several financial institutions. With their expertise and support we will be able to create the best end to end compliance program for our business and customers.”

“WireFX brings immense value for banks, credit unions, and fintechs,” said Eric Gerdes, Founding Partner, Endurium. “It is a pleasure to work with an advanced platform backed by industry veterans. They are truly leveling the playing field for institutions of all sizes.”
