

# Harness Inner Confidence with Crescentt Luxury Loungewear & Shapewear

NEW YORK, UNITED STATES, October 27, 2022 /EINPresswire.com/ -- Several innovative women's lounge and shapewear brands have emerged over time, but [Crescentt](#) stands out among others as a result of their uniquely curated product selection and anti-fast fashion stance, seeking mindful sourcing practices in a world stressed out about the planet's future.

Crescentt touts itself as a brand of "Feel-Good Products" centered around self-care and female empowerment. Their goal is to provide affordable luxury and glamour to foster self-love at home, where they believe women can be the most vulnerable. The COVID-19 pandemic demonstrated a disproportionate struggle women face with mental health from self-isolation and social distancing. Having emerged during this time period, Crescentt aims to fill the gap for self-care and self-love through education and affordable luxury. They produce self-care items that help women rediscover joy, comfort and confidence in their lives. Crescentt is a company run by and for women, producing high-quality, uplifting products like postpartum shapewear, [luxurious turkish cotton bathrobes](#) and [organic bamboo pajamas](#).
