Commercial Cleaning Franchise Selected as One of the Top 150 Franchises for Military Vets Seeking a Strong Business Opportunity

ROLLING MEADOWS, IL, USA, October 27, 2022 /EINPresswire.com/ -- Image One, a leading national commercial cleaning franchise, was recognized as one of the top 150 franchises for veterans in 2022 by Entrepreneur. The ranking, which is featured in the October/November issue of Entrepreneur magazine and on Entrepreneur.com, highlights the franchises that provide certain benefits for veterans as well as those who have a high number of current franchisees who are veterans. Image One was ranked No. 65.

"It's rewarding to receive this recognition from, Entrepreneur, a leading voice of truth in the franchise industry. We pride ourselves in being a franchise that puts veterans first and supports them as they transition and seek to be their own boss," said Tim

Conn, President and co-Founder of Image One. "We're so grateful for what they've done for our country and provide a system that provides a unique opportunity for them. Our franchise gives them all the resources they need to launch and grow a commercial cleaning franchise."

This year, nearly 500 companies applied to be considered for Entrepreneur's annual ranking of the top franchises for veterans. To determine this year's top 150 from that pool, the editors

evaluated their systems based on several factors, including the incentives they offer veterans (such as franchise fee discounts), how many of their units are owned by veterans currently, whether they offer any franchise giveaways or contests for veterans, and more. The editors also considered each company's 2022 Franchise 500 score, based on an analysis of 150-plus data points in the areas of costs and fees, size and growth, franchisee support, brand strength, and financial strength and stability.

"This is one of the lists of the year that I am most excited to share with our franchisor partners and our audience," said Entrepreneur Senior Vice President of Franchising Liane Caruso. "The 150 companies featured here represent not just wonderful opportunities for anyone to start their entrepreneurial journey but go the extra step to provide even more support and appreciation for our veterans who have proven their ability to work hard, navigate challenges, and understand the importance of teamwork in achieving success."
