LONDON, UNITED KINGDOM, October 31, 2022 /EINPresswire.com/ -- British publisher Sparkling Books announces a free e-book to help cash-conscious readers select economical book gifts this year. Distributed through major e-book stores as ISBN 9781907230806 and also available direct from the publisher at [sparklingbooks.com/xmas.html](http://sparklingbooks.com/xmas.html), readers can choose their gifts by potential recipient and read more about those gifts.

For readers in the UK and Irish Republic, there are further seasonal offers on the company's own web shop at [sparklingbooks.com/offers.html](http://sparklingbooks.com/offers.html) including quantity discounts for any mix of two or more printed books.

Those who want an extended read of books they are considering as gifts, will find all single-title e-books reduced to around one pound Sterling from 1st November to 11th December.
