

Bryson Manalang Founder of Twiine Satisfies Food Cravings in The City of Angels

IRVINE, CA, UNITED STATES, February 28, 2023 /EINPresswire.com/ -- Innovative founder of [Twiine](#), [Bryson Manalang](#), has the answer to the question, what do I want to eat? Households constantly face this dilemma. Whether single or growing family, the answer to this mundane inquiry is seldom easy. A recent article from Caltech.edu reported, "If you've ever found yourself staring at a lengthy restaurant menu and been completely unable to decide what to order for lunch, you have experienced what psychologists call choice overload. The brain, faced with an overwhelming number of similar options, struggles to make a decision."

Twiine is a web app that can predict a person's current food cravings and recommend restaurants that will best satisfy their cravings based on their recently listened to music. From classical to pop, whatever your preference, there is a culinary delight that fits your taste.

Visionary Bryson Manalang is passionate about solving the indecisiveness problem and how we can minimize choice overload in today's world. He has also launched three startups since the tender age of 17, and helped several brands scale their Instagram and TikTok accounts.
