

# We Are Florida House Buyers Releases New E-Book for Home Sellers

*We Are Florida House Buyers announces the release of its free e-book guide for home resellers which teaches them the pros and cons of selling properties*

ORLANDO, FLORIDA, USA, October 28, 2022 /EINPresswire.com/ -- [We Are Florida House Buyers](https://www.WeAreFloridaHouseBuyers.com), Orlando's [reliable and trusted local house buyer](#), is happy to announce the release of its e-book titled "Pros and Cons of Selling to a Professional Home Buyer Versus Listing with an Agent Or Selling It Yourself."

“

Selling your Orlando home should be quick and hassle-free. When you work with us, we eliminate your worries about any extra costs of selling your house.”

*Tyler Gibson*

It helps homeowners or home sellers learn the advantages and disadvantages of selling their properties to house buyers, such as We Are Florida House Buyers.

“We want to educate prospective clients on why they should sell their properties to a homebuyer like us, but we don’t want them to see only the positive side. With this e-book, we want them to learn the pros and cons if they will decide to sell their homes to us,” explained Tyler Gibson, CEO, and owner of We Are Florida House Buyers.

In the e-book, Gibson said that home sellers would know the four hidden costs that would creep up and the big pitfalls to watch out for when listing with an agent or selling their properties themselves.

“In most cases, not knowing about these pitfalls before selling your house can cause you more stress after you sell it,” Gibson told potential home sellers.

Orlando homeowners have three main ways to sell their houses.

These include listing with an agent, selling the homes themselves, and selling them to a professional Orlando homebuyer.

According to Gibson, all these three options have their advantages and disadvantages.

"This e-book is beneficial for house sellers who are still on the fence and not so sure which option they want to take. It would help them find out the most suitable option that can bring a solution to their current needs or problems," Gibson further explained.

Gibson encourages every house seller, especially first-timers in Orlando, to download the e-book to educate themselves first before choosing an option on how to sell their properties.
