When you hear the intro "Ladies and Gentlemen...introducing..." you already know it's a Jazze Pha original hit. "Get Money" has an old-school get-money sample that gives it even more character than the lyrics. The song's hook, "Wake up every day, (ima get money) even when I'm sleeping (ima get money), bankroll on my mind..." you can't help but get into the groove of an energetic hustle to "Get Money."

As a developing artist, LA Love the Boss (Lauryn Alease Williams) writes her lyrics and constructs everything from scratch. LA considers herself an all-around female MC. With LA having so much experience, it is easier for her to be full-out creative regarding her crafts. She has no limits when it comes to her talents.

Aside from the music, the multi-talented artist and entertainer have succeeded in three movies

featured on platforms such as Netflix, Tubi, and Amazon Prime. Her multi-talented personality beams throughout her lyrics and delivery of her music. LA Love's writing skills have so much imagery that her fans can picture the scene without any visuals. As a motivational inspirer, actress, artist, entrepreneur, and entertainer, LA Love's mission is to bring all of her gifts to new audiences.

The cover art that LA Love The Boss chose for the single "Get Money" ft Jazze Pha is a combination of Pam Grier as Foxy and Jazze Pha in an old school car that reminds us of a scene from the 1989 movie Harlem Nights. The music video for "Get Money" ft. Jazze Pha is out now. You can find the single "Get Money" ft—Jazze Pha on all streaming platforms.
