"The past few years of hosting my own artwork events, events for personal friends, as well as positive feedback from gallery visitors, I quickly realized how much everyone truly enjoyed their time and how the space enhanced each occasion. It's because of this unique charm, style and

appeal, that I decided to formally open it to the public for private rentals." - Shaun Thomas

"From artwork to interior spaces, bringing any type of vision to life fascinates me. I've owned the gallery for a few years now, after first discovering the old vacant space back in 2018. Since then, I've followed my ongoing vision of transforming the space into an Art Gallery based on modern tranquillity." - Shaun Thomas

One of his collectors put it best, describing his gallery as an "oasis of style and harmony."

Nestled along pacific coast highway in popular downtown Laguna Beach, the gallery's elevated location on the second story gives the venue a private and exclusive feel. Every booking includes an Event Coordinator to help ensure each event runs smoothly.

Thomas Studios has launched the venue bookings in 2022 with reduced priced packages starting from \$125 per hour with a maximum capacity of 50 people.
