

Georgia Peach Coleby Hettler, Breaks Industry Barriers as the New Woman Owner and CEO of Business Environments

ATLANTA, GA, UNITED STATES, October 29, 2022 /EINPresswire.com/ -- After more than 15 years in the interior design industry, [Coleby Hettler](#), female entrepreneur, is launching out as the new CEO of [Business Environments](#) in the Peach State. Mrs. Hettler, former Director of Space Planning and Design for Business Environments is partnering with her husband Charlie in this milestone venture. As of November 2022, Business Environments becomes a Women's Business Enterprise National Council (WBENC) certified company, which is the most widely recognized and respected national certification for women-owned businesses in the U.S.

According to an article from [fundera.com](#), "The U.S. has 12.3 million women-owned businesses. U.S. women-owned businesses generate \$1.8 trillion a year. 40% of U.S. businesses are women-owned." With this upward move, CEO Hettler forges the way for other women to navigate in a male-dominated arena.

Business Environments is a well-respected commercial furniture dealership that has been in business for over 23 years, operating under the watchful eye of founder Ken Morris. Highly recognized companies such as Home Depot, Coca Cola, IBM, and Pfizer, just to name a few, acknowledge Business Environments for their impeccable service. The business is an annual Founding Sustaining sponsor of Atlanta commercial Board of Realtors. Mr. Morris' retirement offered an open-door opportunity for Coleby. She calls purchasing this business a dream come true. Coleby promises to continue the same top-notch service that its clients have come to expect.

Owner Coleby Hettler is a graduate from The University of Georgia with a Bachelor of Science degree in furnishings and interiors. She reminisces, "I always wanted to own my own business from a very young age. This has been a dream of mine." This changing of the guard entails a smooth transition since Coleby has been an integral part of the development and growth of Business Environments for many years. Upon reflection, she states, "After working here for close to a decade, this purchase is a natural progression for me." Her tenure and extensive knowledge of the company are impressive. She has her finger on the pulse of how it operates, coupled with an innovative formula for continued success.

Business Environments

Coleby realized early in her career that customer service is key. She cultivated meaningful relationships over the years that have gotten her to where she is today. Coleby's dedication to the seamless client experience has resulted in a portfolio of outstanding projects locally, regionally, and nationally. Together with a team of highly esteemed experts in the field including, account managers, interior designers, and project managers, they are uniquely qualified to bring every client's specialized project to life. Whether the projects encompass interior build outs, multi-site program rollouts, interior design layouts, space planning, or complex relocations, Business Environments has proven and continues to be a trustworthy partner.

“

After working here for close to a decade, this purchase is a natural progression for me.”
