year with our program and our drivers to be in a position to get to a tour event with the SRL. After we brought home a 2nd and 4th place finish in our season championship, we felt like it was the right time. We don't take a step like this lightly and we know the quality of teams and drivers that are racing SRL. I'm definitely excited to take this team to California and run at a such a great venue."

“

We are really excited to take on the challenge of an SRL event. I couldn't be more excited to take this team, these cars, and these drivers to such a great venue like Irwindale."
