

Obi Alfred is destined to be a household name with his sensual and groove-filled track, "Get It."

Over a bed of atmospheric production, Alfred's silky smooth vocals will leave fans craving an encore.

LOS ANGELES, CALIFORNIA, UNITED STATES, November 1, 2022 /EINPresswire.com/ -- Austin based Obi Alfred's new single "Get It" oozes sensual chords backed by contemporary RnB sounds to reveal a signature sound sure to obtain the attention of fans and critics alike.

With highly tantalizing lyrics and tracks exploring topics such as infatuation, passion, obsession, and seduction, Obi teases while grabbing hold of eardrums and hearts. "Get It" follows his last single, "Mind," which impressively obtained 20,000 streams in just four days and over 100,000 streams in under five weeks.

No doubt his lyrics provide a punch to the already hypnotic beats paired with the emotional journey each verse exudes while giving a glimpse of his forthcoming full-length album, "Get It," exposes his dark and seductive tendencies. Obi states, "This is a pure club dancing, fun song. I wrote this song about two years ago in Houston. It shows a darker, more seductive side than the more romantic and pure sound in 'Mind.'"

Like his previous releases, "Get It" will be housed on his imprint, "The Obi Alfred Experience." Featuring an all-star team of collaborators such as Jemma Webb (female accompaniment vocals) and Cody Acosta from Spitshine Studios in Austin, Texas (mix engineer), the track tempts with instrumental sounds set to the ambiance of seduction and sultry temptation.

Obi Alfred mixes RnB melodies paired with enticing harmonies to set the ambiance and mood for a forbidden and hypnotic music journey, and "Get It" is a bold, expressive, and empowering use of lyrical realness paired with infinite rhythms.

"Get It" is now available for streaming via music platforms, including [Spotify](#). Visit Obi Alfred's official [website](#) and [Instagram](#) account for more details.
