

# LuggageToShip.com launched ShipandStorage.com

*Luggage To Ship launched ShipandStorage.com, by adding convenient moving and smart storage services to its signature Luggage To Ship service.*

NEW YORK CITY, NEW YORK, UNITED STATES, November 2, 2022

/EINPresswire.com/ --

LuggageToShip.com, is a leading and tech-enabled one-stop-shop online platform for shipping luggage, moving boxes, golf clubs, and skis, domestic and worldwide, door to door. The company launched ShipandStorage.com, by adding convenient moving and smart storage services to its signature Luggage To Ship service. The Company seeks access to a broader geographical footprint and plans to scale its suite of offerings to these new markets, reaching 60% of Americans.

Luggage To Ship is an on-demand luggage shipping, boxes moving, golf, and ski sports traveling service platform. Branded as "Luggage To Ship", the company is among one of the fastest-growing private companies in the United States of America. LuggageToShip.com has pioneered a straightforward process of forwarding luggage, boxes, skis, and snowboards, by leveraging proprietary technology as well as trusted relationships with a comprehensive network of logistics partners, resulting in unparalleled reliability. LuggageToShip.com built an industry-leading set of online tools that allow clients to generate pricing, securely book online and track the shipment in real time, and instantly identify the most reliable, convenient, and cost-effective method of shipment for each individual booking.

"Over the past years, Luggage To Ship has been on a mission to help people through important

life events, whether you are traveling, moving, or studying abroad,” said Mike Ulker, founder and CEO of Luggage To Ship. “We’re building a one-stop-shop online service platform for shipping and traveling; the addition of the Ship and Storage service platform will allow us to serve more businesses and customers more than ever.”

Since the onset of the pandemic, the moving and storage industries have seen a huge growth in demand as Americans work from home, relocate to suburban locations, or adopt a digital nomadic lifestyle. The occupancy rates and rents on [shipping and storage](#) are at record highs. At the same time, there are high unmet market demands for convenience and technology from shipping and storage service providers. More Americans are using shipping and storage combined services than ever before.
