

Air and Missile Defence Technology 2022: Conference Attendees Revealed

SAE Media Group has announced its attendees for the Air and Missile Defence Technology Conference taking place in London, UK, in two weeks.

LONDON, LONDON, UNITED KINGDOM, November 2, 2022 /EINPresswire.com/ -- Regarded as one of the signature events in this domain, the [6th Annual Air and Missile Defence Technology](#) Conference will host military, government, industry, and academia leaders to explore the advancements, challenges, and future of AMD. This year's event will particularly focus on new air defence systems and the future direction of industry and military operations.

The conference will take place on 16 and 17 November 2022 at the Hilton London Kensington Hotel. Places are becoming limited with more than 60 delegates already confirmed; register at <http://www.airmissiledefence.com/PR5>.

With two weeks to go, this participant-led meeting is continuing to generate significant interest from international programme managers across the domain. The nations in attendance include the USA, UK, Spain, Sweden, Poland, NATO, and more.

These are a few of the organizations attending this year:

- 10th Army Air and Missile Defense Command
- Albanian Embassy
- Anduril Industries
- Aselsan
- British Army
- Canadian Army
- Center For Strategic and International Studies
