USA, November 2, 2022

/EINPresswire.com/ -- [Sole Oceanna](#) is a lover of music first. She is graceful, but with a rebellious nature that magnetizes an audience. At only 15 years old, Sole has been writing her own songs and musical compositions with some of the most prominent pop songwriters in the industry. Writing has always been an outlet for this talented artist; "I find peace in it" she says, when describing what the writing process means to her.

Sole has released the official music video for her single, 'Not Feelin It'. The song was co-written by [Sebastian Garcia, a/k/a Rufio Hooks](#) and produced by [Sean Rogers from HeyWorld Productions](#).

True to the artist's self proclaimed 'Pop-Punk" style, the track exudes a hard edge, sheer confidence, and sarcasm with the first line, "I'm not really in the mood... And I'm not even into you." Sole stands firm in her authority and encourages other teens with her boldness and the straightforward tone of her lyrics; "Im not tryna burst your bubble...but your vibe, I'm just not feelin' it." Sole's delivery matches the ironic punk tone perfectly and makes for a song that's upbeat but also lighthearted. The visuals further support the strength and sassiness of the track in youthful, goofy, and playful way.

Music is Living...PopPunk is Life.”
