“

With this reselling cloud partnership, we believe we can reach out to a broad scope of businesses. We're thrilled with this and are looking forward to the opportunities ahead.”

Priya Ranjan Panigrahy

Now CEPTES will help organizations to grow successful businesses by providing them with the right guidance, expertise and innovative cloud solutions that help them solve their business challenges.

This reselling partnership will accelerate productivity and enable reps to sell smarter and faster.

While in conversation with the CEO of CEPTES Software, Mr Priya Ranjan Panigrahy said, “We've been in this business for the past 12+ years, witnessed so many digital

transformations, product add-ons, and services launched by Salesforce. We've also launched a solution known as SMB booster to help SMBs.

We're happy that now apart from providing the Salesforce standard products and services, we can help businesses to accelerate their journey to become a digital-first enterprise.”

"We received the 2022 Salesforce Partner Innovation Award in the ISV - Innovation category, showcasing our leadership within the Salesforce ecosystem."

Our whole team at CEPTES Software is working very hard to take things to the next level. We always try to serve our customers in different ways that ultimately help them to achieve their goals.

With this reselling cloud partnership, we believe we can reach out to a broad scope of businesses. We're thrilled with this and are looking forward to the opportunities ahead."
