“

We are excited to be back in Sacramento live and in person, students are excited it is in person again, and our goal is to award over 5 million dollars in scholarships.”

*Dr. Theresa Price, NCRF
Founder and President*

This event offers a direct pathway for high school juniors, seniors and community college students looking to transfer to a four-year college. To promote college planning at an earlier age, parents are also encouraged to bring students as young as 6th grade.

Sacramento Black College Expo™ attendees will have access to 50+ colleges, highlighting historically black colleges and universities (HBCUs) and other educational institutions. Students will have an opportunity to be accepted on the spot, have their college application fees waived and receive scholarships.

“We are excited to be back in Sacramento live and in person, students are excited it is in person again, and our goal is to award over 5 million dollars in scholarships. We are also going to give college students scholarships on site,” says NCRF Founder Dr. Theresa Price.
