Beyond ride transportation service provides these people with a sense of freedom and they can go to their desired destination without being delayed.

BREMERTON, WASHINGTON, UNITED STATES, November 4, 2022

/EINPresswire.com/ -- Bremerton is a city in Kitsap County, Washington,

United States. The population was

37,729 at the 2010 census and an

estimated 41,405 in 2019, making it the

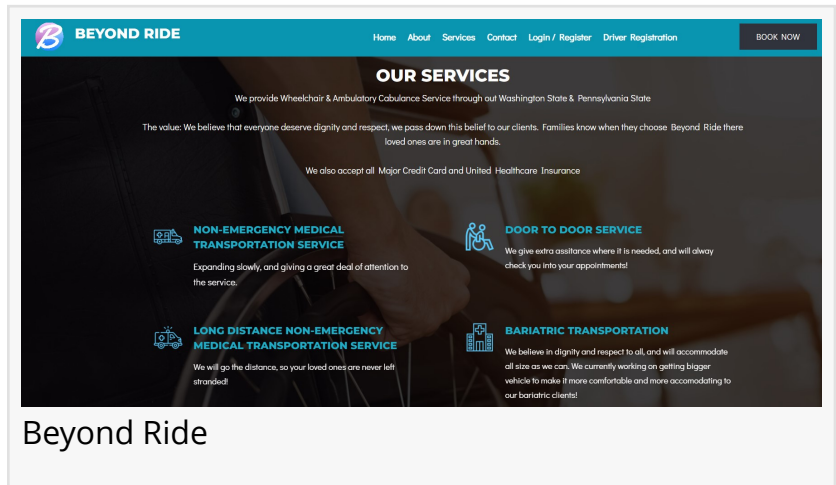

largest city on the Kitsap Peninsula. Bremerton is home to Puget Sound Naval Shipyard and the Bremerton Annex of Naval Base Kitsap.

Millions and Millions of Americans miss or delay medical care due to transportation difficulties are other obstacles. During the current COVID-19 pandemic, transportation has slowed as folks shelter in place. The Corona pandemic had greatly affected the Medical transportation sector. These problems are one of the most serious as they can harm the overall medical system greatly.

These Americans who cannot go for there hospital appointments often asks their family or friends for help and most of them time they tend to miss the appointment and they feel that they are somewhat a burden on their family or friends. Beyond ride transportation service provides these people with a sense of freedom and they can go to their desired destination without being delayed.

Transportation problems are often seen as an obstacle to receiving care and medical observance. [Non emergency medical transportation service](#) provided by Beyond Ride, is linked with high use of preventive and primary health care, less use of emergency services and inpatient services, and timely medical healthcare are among certain health conditions.

Beyond Ride provides Non-Emergency Medical transportation or NEMT, through a custom tailored model. Normally, the service has yielded great results. Clients using Beyond Ride's non-

Beyond Ride

emergency medical transportation service have never missed primary care appointments, a much lower average wait time, a greater rate of timely pickup compared to those using different types of non-emergency medical transportation, and much lower costs in comparison to others.
