

Open Letter to Medical Professionals in India by Krishnan Suthanthiran, Pres./Founder of TBG Companies & BCF Foundation

WASHINGTON, DC, USA, November 4, 2022
/EINPresswire.com/ -- Dr. Suthanthiran,
President and Founder of TeamBest Global
(TBG) Companies and [Best Cure Foundation](#)
(BCF), attended a five-year program from
1964-1969 and graduated with a Bachelors
Degree in Mechanical Engineering in 1969
from PSG College of Technology,
Coimbatore, Madras University, Tamil Nadu,
India.

The years 1968-1969 were particularly
significant in his life and professional career.
Dr. Suthanthiran's father passed away in
1968 and the late Hon. Annadhurai—Chief
Minister of Tamil Nadu, India at the
time—died in 1969, both deaths were from
cancer. These events had a transformative
effect on Dr. Suthanthiran and he resolved
to dedicate his career to Cancer Research
and Treatment.

Dr. Suthanthiran began his career in 1972 under Dr. Ulrich K. Henschke, an oncologist at then, Freedmen's Hospital (now Howard University Hospital) in Washington, DC. Dr. Henschke was one of the doctors from Memorial Sloan Kettering Cancer Center in NY who in 1969, treated the late Hon. Annadhurai at Adayar Cancer Hospital in Chennai, India.

Having worked in medicine for over 50 years and now embarking on the 51st year of his career, Dr. Suthanthiran has seen the good, the bad and the ugly side of medicine globally and for this reason, he established BCF in 2007—to start a new Global Healthcare Delivery System. He named his TBG Companies BEST because he wants to be the BEST at whatever he does. Both BCF and the Best Cure Global Healthcare Delivery System are non-profit, non-governmental organizations.

Now, as part of the launch of his Best Cure Global Healthcare Delivery System, Dr. Suthanthiran plans to establish 1000 plus express and mobile clinics linked to general and multi-specialty medical centers including cancer, cardiac, diagnostic radiology, etc., as Best Cure Proactive, Preventive and Primary Care and Multi-Specialty Medical Centers in India.

To equip these Centers, TBG Companies will manufacture all of these technologies/products through their current and future manufacturing facilities in the U.S., Canada and India. Dr. Suthanthiran plans to accomplish these goals by raising capital and using Best Cure Global Healthcare Delivery System to partner with like-minded medical professionals, local/state/Federal governments and other non-profit organizations in order to create the Best Cure Global Standard of Care.

Everyone deserves the Best healthcare. Health is wealth."

*Krishnan Suthanthiran,
President/Founder of
TeamBest Global Companies*

During his travels over the next few months, Dr. Suthanthiran looks forward to meeting potential partners, medical practitioners and others who share his interests/vision in initiating and executing these goals. Please feel free to contact Dr. [Krishnan Suthanthiran](mailto:krish@teambest.com) at krish@teambest.com or visit www.teambest.com or www.bestcure.md for more information.
