TAMPA, FLORIDA, USA, November 4, 2022 /EINPresswire.com/ -- On October 7, 2022, The [Tampa Debt Collection Agency](#), The Preferred Group of Tampa, received high remarks from a consumer that worked with their company.

"These reviews that are one star have to be the result of a name mix-up. They are nothing like the Agency I just spoke with," said Bob "Erin gave me assurances and help with a rather large

medical debt that I cannot work on right now. I am a senior on SSDI and a small Long Term Disability stipend. She was compassionate and gave me no issues as I explained my situation. I was stunned to say the least. Thank you so much Erin and Preferred CMS. I am retired due my condition and I feel so much better after talking with you."

“

Our agency has a long track record of success operating in a professional manner. We have been in business for over 35 years in one of the most highly regulated industries in the nation."

After hearing about the feedback that was received, Erin responded saying, "It was a great feeling receiving such a high rated compliment. It truly turns a collector day around when someone takes the time to reach up to their higher up to compliment the way a call was handled. It seems like lately, we have received more and more of these compliments in many ways. It's what makes Preferred CMS stand out from other agencies out there."
