

# Heavensent Releases His Debut Album, Tranquil Tantrum, a Peaceful Protest to the Modern World

*BentBeat Productions' Heavensent unleashes a cross-genre album debut with songs ranging from struggling rebellion to dealing with his father's untimely death.*

PORTLAND, OREGON, USA, November 4, 2022 /EINPresswire.com/ -- Everyone grows up in different ways with their own struggles. An individual's emotional tendencies and personality is a direct result of their circumstances and the way they were raised. [Heavensent](#) takes us on a journey of his upbringing and the challenges he faced with his freshman album, Tranquil Tantrum.

Heavensent (Austin Kvalvik) is an artist on staff at [BentBeat Productions](#) in Portland, Oregon. In between producing, engineering, and playing guitar on other artists' works, he found time to pen his own story with a battery of songs that would become this album.

"When I was writing these songs I really just tried to get out of the way of my creativity and stop worrying about what everyone would think about me," recalls Heavensent. "It's rare that I feel like my struggles are bad enough to complain about, but I know there are people out there like me who probably feel the same way. I hope listeners are inspired to conquer life's challenges by the ways I've defeated my own."

Tranquil Tantrum is officially a solo project. However, being on staff at a music production studio certainly has its job perks. BentBeat's Dave Beatty and Krista Westfall acted in consulting and producer roles, and Katie Sax helped with engineering and kept important things organized.

Tranquil Tantrum - Heavensent

Other artists that contributed to the work include rappers Son\*Tavo, Nobody47, Boy Azure, BlesT, and Loui B, and singers Bryanna Depiro and Tyson Trill, and Heavensent's brother, Devin.

"I'm so grateful to so many talented people who helped with this album," said a thankful Heavensent. "Trying to blend so many different times of my life and musical tastes was a beautiful challenge, but the team stepped up."

Heavensent's music might have you questioning what genre you enjoy listening to the most.

Tranquil Tantrum album is streaming now on Apple Music, Amazon Music, Spotify and wherever you find great music.
