Since the charity’s inception, its mission has been to provide Every Head a Bed nationally, helping families living in crisis rise up from surviving to thriving so children can Eat, Sleep, Learn.

When asked about the donation, Hubs and Project Co-ordinator Jessica Sandy at Zarach said;

“We are thrilled to accept the phenomenal donation of £12,000 raised by Provide Community.

“This will buy 80 bed bundles for children living in poverty.

A bed bundle consists of a brand-new bed with a high-spec mattress, new bedding, pyjamas, a hygiene kit, a Zed Ted teddy bear and a storybook. “We know first-hand what a difference these

make to children – giving them something to own and cherish, allowing them comfort, warmth and a good night's sleep which in turn helps with their education and mental health. "We thank each and every person who donated – rest assured you have made a difference to a child, and a family and helped Zarach in our quest to give Every Head a Bed."

Provide Community Governor and Chair of Ethnic Minorities, Nisha Desai said; "As the Chair of the Ethnic Minority Network for the Provide Community, it is truly heart-warming to

see such a large sum of money going towards the fantastic work Zarach continues to deliver every day. "By supporting Zarach, we are living and breathing our values of care and compassion and contributing to improving the lives of these families. "As a Community Interest Company, Provide Community is incredibly fortunate to be able to support charities such as Zarach and help them achieve their mission through our charitable funding initiatives."
