The nonprofit invites the community to celebrate 'The Magic of Childhood' to support critical mental health services for OC's most vulnerable children.

NEWPORT BEACH, CA, US, November 7, 2022 /EINPresswire.com/ -- On December 4, Orange County's business and community leaders, luminaries, philanthropists and mental health advocates will usher in the holiday season by celebrating 'The Magic of Childhood' at the Balboa Bay Club in Newport Beach to raise critical funds for the Child Guidance Center to provide no and low-cost transformative mental health treatment services.

Attendees will enjoy a complimentary champagne and hors d'oeuvres reception, designer-decorated Christmas and holiday tree packages, a curated silent and live action, a premier wine-pull and a gourmet meal in the grand ballroom of the Balboa Bay Club.

"40 years ago, Child Guidance Center held its first Holiday Tree Fantasy event to raise awareness of children's mental health treatment needs in Orange County. Admission was \$5.00 and volunteers decorated Christmas trees with strands of popcorn and paper chains, beginning the important conversation to destigmatize childhood mental illness. Today Child Guidance Center's Holiday Tree Fantasy event is a beloved annual traditional ushering in the magic of the holiday spirit
