DuraLabel presents LabelForge PRO and line of printers at FABTECH in Atlanta Nov 8-10.

LabelForge PRO

LabelForge PRO is the most advanced industrial labeling software available to the safety industry today.. LabelForge PRO includes thousands of preloaded, ready to print OSHA/ANSI/ASME/GHS/HMIS-labels covering all your compliance, safety, and efficiency needs. LFPro label design suite also makes custom label design easy.

The true power of LabelForge Pro is unleashed when coupled with DuraLabel's award-winning printer hardware. For the first time since launch, DuraLabel will demo the Toro Max and Bronco Max industrial signage printers at FABTECH Atlanta. The portable Toro Max system includes a built-in 9" touchscreen and keyboard, super-fast operating system, and optional battery for anywhere, anytime printing. DuraLabel Bronco Max also uses the signature cartridge-based ribbon system to make loading supplies faster than ever.

DuraLabel Kodiak prints larger, more colorful signs and labels creating impactful workspaces. Supporting 4" - 10" wide supply and lengths up to 8 feet long. Effortlessly design labels using the wireless keyboard, full-color 9" touchscreen, stylus, and built-in software.
