

# Introducing The Coach Desk App – The Ultimate Platform for Finding and Booking Boxing Trainers

*The app comes at a time when boxing has become the hottest fitness trend across the globe.*

MANHATTAN, NEW YORK, UNITED STATES, November 8, 2022

/EINPresswire.com/ -- In a day and age when boxing is the most trending fitness activity around the world, [The Coach Desk App](#) is making it quick and easy to find and book boxing trainers for any fitness level.

The Coach Desk App is a smartphone/mobile on-demand [hiring platform for boxing trainers](#). After signing up, users will gain access to a variety of helpful features that makes booking quick and simple, including seeing exactly where on the map each trainer is located, viewing trainer profiles, and reading reviews about them before deciding to look at their schedules for availability to train.

Additionally, the app also allows users to book a session on the trainer's schedule, saving time typically spent calling or texting back and forth to make reservations for training. There's even the option to cancel, meaning there's no commitment until the 12 hours before the training session begins. Users can book the trainers to come directly to their house, workplace, public park, or even arrange to meet trainers at their gym or online virtual sessions.

"The biggest fitness trend in the nation is boxing and people who are looking to find the [BEST boxing training services](#) can do so easily with The Coach Desk App," says the app's Founder, Simeon Hardy. "Now, users can find safe coaches, safe training, and safe hands with just a few simple clicks. Why put off something you've been wanting to do in the past, when you can just

do it now? You definitely won't regret it."

The Coach Desk App boasts numerous benefits for both users and trainers, including:
