

Understanding Faith Through History in New Book

A look into the challenges and hardships of Christianity

COOKSTOWN, NEW JERSEY, UNITED STATES, November 8, 2022

/EINPresswire.com/ -- Robert W.

Knutson's novel [The Solution?: Daniel 11:20-45 – A Historical Interpretation](#)

serves as a look into the historical context of the titular passage. He helps readers understand the Christian perspective and history surrounding this chapter and the associated arguments regarding what is considered proper Christianity. This chapter of the book of Daniel is

primarily concerned with the story of the Antichrist. Knutson analyzes each passage and connects them with the difficulties Christianity faced in the process of developing as a belief system over its history. The author hopes that by understanding this history, the reader can best find their own clear path to God.

Robert Knutson is the eldest of his siblings and was born to Seventh-day Adventist parents. He had experienced a major accident at the young age of three, where he had fallen out of a car and suffered life-changing injuries leaving him with a hemiplegic gait to this day. Thankfully, this did not deter Knutson from learning and achieving as much as he could, just as his parents told him that since he survived the accident, God had plans for him. He later finished his degree in religion in 1977 and started his writing career in 1981.

The novel connects with the author's life experiences and faith to give readers a cautionary tale. He reminds the reader that faith is repeatedly tested in what should be the safest environment. The work urges readers to strengthen their faith and guide themselves and others to a better relationship with God.

An interesting take on the history of Christianity, this book will help readers know about its roots

and help them in nurturing their beliefs. Get your copy today.

About The Reading Glass Books

The Reading Glass Books is your local bookstore with a heart and now an emerging self-publishing house. We believe that each book is an experience, and we take that into heart as we celebrate both writers and readers manifested on our bookshelves—becoming part of everyone's reading journey since 2020.

Please visit www.readingglassbooks.com for more information.
