

Illinois US Navy Veterans Mesothelioma Advocate Urges a Veteran-Skilled Trades Worker with Mesothelioma in Illinois-Nationwide to Call The Gori Law Firm About Possible Million Dollar Compensation + Possible VA Benefits

CHICAGO , ILLINOIS , USA, November 16, 2022 /EINPresswire.com/ -- The Illinois US Navy Veterans Mesothelioma Advocate says, "We are the best branded advocate in the nation for Navy Veterans who have developed mesothelioma and our top priority for a person like this is that they or their family receive the best compensation results in Illinois or nationwide. To get the compensation job done for a Navy Veteran with

mesothelioma we have recently endorsed the lawyers at The Gori Law Firm. The Gori Law Firm is responsible for over \$3 billion dollars in financial compensation for their clients, and they go above and beyond when it comes to their client's compensation as they are always happy to discuss at 866-532-2016.

"The Gori Law Firm also makes no obligation house calls to make certain a person with mesothelioma anywhere in the USA or their family understands how the compensation process works, what will be involved and what their compensation claim might be worth. This is a much, much better deal than a free-generic book about mesothelioma at the lawyers at The Gori Law Firm are always happy to discuss at 866-532-2016." <https://GoriLaw.Com>

There is one other remarkable service The Gori Law Firm offers for their Veteran clients with mesothelioma and or asbestos lung cancer anywhere in the United States-at no charge they will file the required VA paperwork to hopefully qualify their client for VA benefits. This service might create more compensation for their client who has mesothelioma or asbestos exposure lung

cancer as they will explain at 866-532-2016.

"Every year more families trust The Gori Law Firm when dealing with a loved one's asbestos cancer diagnosis than any other firm in the nation." <https://GoriLaw.Com>

The Advocate wants to emphasize theirs is a statewide initiative available to any diagnosed victim in Illinois including communities such as Chicago, Rochelle, Springfield, Champaign, Peoria, or Bloomington.

High risk work groups for exposure to asbestos in Illinois include Veterans of the US Navy, power plant workers, oil refinery workers, steel mill workers, manufacturing or factory workers, plumbers, electricians, auto mechanics, welders, pipefitters, machinists, public utility workers, and construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. <https://USNavyMesothelioma.Com>
