A Maincrest Media Book Award Winner

The award-winning transformational life and business coach and strategist Tony Jeton Selimi has observed that far too many people give in to their disempowering beliefs, procrastinate, and settle for mediocrity from the fear of failure, judgment, and other people's expectations of them. For this reason, he released "[A Path to](#)

[Excellence](#)" (published by Balboa Press), available in print and digital formats.

Built on his critically acclaimed [The Octagon of Excellence](#)® Method, this book breaks down Tony's 30 years of experience into an easy-to-digest blueprint, challenging you to step beyond your limits and become the master of your destiny. Inside, you'll discover:

- The Eight Essential Components of Human Excellence.
- How to Go Beyond Your Perceived Limits To Face Your Doubts, Excuses and Fears Head On
- A Step-By-Step Path To Address Challenges Mindfully, Overcome Distractions and Sharpen Your Focus
- The Exact Actions to Take to Break Free From the Internal Barriers That Are Preventing You From Achieving Your Full Potential
- [The Blueprint to Achieving Unshakeable Confidence, Certainty, and Clarity.](#)

A must-read for anyone who dreams of creating a rewarding and meaningful personal, professional, and business life, A Path to Excellence® will quickly become the key you need to realize your true vision of excellence.

"The pursuit of excellence will always be the better option when compared to settling for mediocrity," Selimi states. "I want to give them (readers) a road map to win the inevitable and ever-evolving life challenges and the battles they'll encounter on their journey to grow into their fullest

About the Author

Like a phoenix rising from the ashes, Tony Jeton Selimi, a British author of Albanian origin, born in Gostivar, a town in the Northern Republic of Macedonia, went from being abused, critically ill, bullied, surviving a civil war, and living homeless and broke on the streets of London, to graduating from one of the top engineering universities in the U.K., climbing the corporate ladder, and managing and leading multi-billion technology transformation programs. In 2012, he followed his heart's calling and chose to start his entrepreneurial journey and found TJS Cognition Ltd, a company dedicated to exploring, expanding, and evolving the frontiers of human awareness and potential. His unshakeable mission is to inspire and teach men and women of all professions, nationalities, creeds, and colours to become purposeful and disciplined masters of themselves and dedicated and inspired leaders and teachers of others. In just a decade, he went from being unknown to internationally recognized TEDx speaker, multi-award-winning author of several books, filmmaker, executive producer and one of the world's leading authorities on human behaviour, the psychology of achieving excellence, excellent health, wealth, empowered and purposeful living, leading and loving. He travels the world assisting people from all professions and businesses from all market sectors engaged in high-stress performance, productivity, and purpose missions to achieve their greatest aspirations faster, more effectively and efficiently.
