

# THEVOZ & Partners Named Top Tax Law Firm

LAUSANNE, VAUD, SWITZERLAND, November 9, 2022 /EINPresswire.com/ -- THEVOZ & Partners, formerly THEVOZ Avocats, has been named a top [tax law](#) firm by Swiss BILANZ Best Tax Lawyers for 2023. This year more than 12,000 companies in Switzerland were invited to participate in the annual BILANZ survey to choose the top tax law firms. BILANZ is a leading biweekly business magazine published in Zurich, Switzerland. 2023 ranking of Switzerland's best tax and fiduciary experts.

Olivier Thévoz, Managing Partner of THEVOZ & Partners, said, "I am very proud that our entire team has received such a prestigious honor to recognize their extraordinary commitment to providing the highest-quality [tax consulting](#) and [tax representation](#) with personalized attention." He added, "It also further confirms for our clients that they have selected the right partner to trust for handling their tax matters."

Le Temps, the Swiss French-language daily newspaper, reported in its 4 November 2022 edition announcing the 2023 BILANZ award winners that there has been renewed focus on tax law by businesses in Switzerland recently because Swiss tax authorities are now cracking down more vigorously. The article further pointed out that in the past, tax offices believed that taxpayers were acting according to the rules, but recently the trust has diminished and there has been a shift to feeling that taxpayers do not declare everything correctly. That has led authorities to often ask for an endless list of documents. In addition, the article points out that tax authorities are now looking at future tax increases. The recent renewed focus of the tax authorities makes selecting a top-rated, experienced tax law firm even more crucial for Swiss businesses.
