

# Vantage Fit Announces the Winner of its Global Corporate Virtual Walkathon 2.0

*The second edition of the Global Corporate Virtual Walkathon was successfully hosted with a cause to donate trees for a greener tomorrow*

NEW DELHI, DELHI, INDIA, November 9, 2022 /EINPresswire.com/ -- [Vantage Fit](https://www.vantagefit.com/), an AI-empowered global employee wellness platform, has announced SuperGas as the winner of the Global Corporate Virtual Walkathon 2022. The Global Corporate Virtual Walkathon was hosted by Vantage Fit from 3rd October to 6th November, 2022. The Global Corporate Virtual Walkathon Season 2 was also backed by a noble cause of donating 1 tree on completion of 10,000 steps.

Global Corporate Virtual Walkathon Winner Announced

Around 45 teams across the globe participated in the Walkathon and competed against each other, with a total step count of 280 million (approx). The average steps taken by each participant of the 1st winning team Supergas, across the contest is 5,80,000 steps. This resulted in them contributing 58 trees. The average steps taken by each participant of the 2nd winning team Apraava, across the contest is 4,80,000 steps. This resulted in them contributing 48 trees. And last but not least, the average steps taken by each participant of the 3rd winning team Getronics\_TheStriders, across the contest is 3,40,000 steps. This resulted in them contributing 34 trees.

“

We want to applaud the winning teams Supergas, Apraava and Getronics\_TheStriders for their dedication, teamwork, and enthusiasm in pursuing their fitness objectives.”

*Anjan Pathak, Co-Founder and CTO of Vantage Circle*

Hosting the Global Corporate Virtual Walkathon aims to

improve the employees' overall health and wellness and create a balanced work life. . Global Corporate Walkathon 2.0 edition also pledged to donate towards a sustainable and greener tomorrow by planting trees for the completion of step milestones by the participants. A total number of 1,261 trees has come up as contributions from all the participating companies across

the globe.
