“

The history of the chicken wing goes much deeper than many realize.”

Nick Hurd CEO of Niagara Falls Adventures

Hear the stories of chicken wing pioneers from the early years to the present day, and learn how their stories tie into Niagara Falls' history and heritage. Along the stroll through Old Falls Street, you'll stop to taste Buffalo-style chicken wings at popular spots including Cantina and Anchor Bar. This includes exclusive wings like the Dorothy fried chicken, compliments of our very own celebrity chef Bobby Anderson.

“The history of the chicken wing goes much deeper than many realize. We care about keeping this history alive and helping it reach as many people as possible while bringing the stories to life,” Nick Hurd CEO of Niagara Falls Adventures.

Running year-round from Thursday to Saturday, this tour is the perfect event for family and friends to experience in the winter months and beyond. You will leave feeling full of amazing food, and the rich history of why the chicken wing is such a staple in the Buffalo/Niagara region. For adventure seekers, Niagara Falls Adventures also offers a package option with skip-the-wait tickets for Cave of the Winds.
