The live auction will begin on November 13, 2022 at 11:00 AM EST. Nearly 150 curated lots will cross the block in this event.

An antique Turkish Oushak rug dating back to circa 1900 is among the top items (lot #7016; estimate: USD 30,000 – \$40,000). Long a world center for rugmaking, the Oushak region experienced a second rise to prominence around the turn of the 20th century. It uses muted shades of red and cream. A structured pattern of flowers and arabesques covers the entire piece.
