Brand Story

The brand story of Framez House started in 2011 when its founder Mohammed Hassan decided to use his camera to narrate stories of businesses through its lens.

His love for media production led him to lay the foundation of Framez House in 2016 with little capital. Fast forward to 2022, and the company has a team of 30 content creators who have successfully delivered projects worth 2 million dollars.

The company is fast expanding and hiring more resources to work diligently on clients' projects. Framez house takes care of all phases of a project and delivers the final product to the client.

They have a diverse clientele in the private sector, including names like Hershey's, Loreal Paris, Huawei, Adnoc, Fujarian beach resort, Piaget, Muslim Council of Elders, Talabat, Finance House, and Hitachi.

Their clients in the government sector include United Arab Emirates Prime Minister Office,

Emirates Transport, and more.
