“

It is an honor to be part of the Advisory Board with outstanding colleagues from all the media worldwide.”

*Diego Cannizzaro,
Owner/Director of DMC
STUDIO*

“I consider New York Festivals as an iconic common place, in a global level speaking. A meeting point for all who are really involved in storytelling in the media. Personally, it is an honor to be part of the Advisory Board with outstanding colleagues from all the media worldwide.”
–Diego Cannizzaro, Owner/Director of DMC Studio

A multi-talented storyteller, Diego Cannizzaro brings his industry experience and award-winning perspective to the

2023 New York Festivals Radio Awards Advisory Board. He joins an esteemed board of globally

respected content creators and industry leaders.

As Owner/Director of DMC STUDIO in Buenos Aires, Diego specializes in radio arts, sound stories, commercials, field recording, sound design and mixing. An industry pro known for award-winning work, he creates audiovisual productions for radio, TV, social networks, and movies.

With 8 Gold New York Festivals Radio Awards, 1 Silver, and 6 Bronze, he has also earned two NYF Grand Awards, the ultimate honor presented at the NYF Radio Awards [Storytellers Gala](#).

Since 1995 Diego has utilized his hybrid skills as a scriptwriter, sound designer, musician, radio producer, video editor, post producer, director and tv producer. His impressive career trajectory has seen Diego working within the best first-line radio stations in Buenos Aires, as an independent audiovisual producer, and creating an unmistakable style through sounds and graphics among all media productions.

In his additional role as Head Director for Audiovisual Promotions Art Design & Graphics for Canal 9 | IP Noticias, Diego directs and leads a team of 35 people. He also serves as a Radio Producer for Urbana Play FM.

The New York Festivals Radio Awards 65-year legacy provides a showcase to celebrate world-class storytellers from around the globe. The competition honors creative innovation and excellence in broadcast and audio content across all genres and platforms.
