

# Steven L. Blue Features on the Cover of Exeleon's Most Transformational Leaders of 2022

*Founder and CEO of Miller Ingenuity, Steven L. Blue is a pioneering entrepreneur, keynote speaker, best-selling author, and a transformational leader.*

MIDDLETOWN, DELAWARE, UNITED STATES, November 10, 2022 /EINPresswire.com/ -- Exeleon Magazine today released its latest issue of the Most Transformational Leaders to Follow in 2022. The issue features stories, insights, and interviews of various transformational leaders who are making a mark in their respective industries.

Exeleon is a leading business magazine for leaders and entrepreneurs to showcase their story to a wide-ranging audience, comprising C-Level Executives, Business Professionals, and Management Personalities.

Featuring as the Cover of this issue is Steven L. Blue, a transformative leader who is helping show businesses the way to be innovative powerhouses. Steven is the President and CEO of [Miller Ingenuity](#)—a global supplier of high-technology systems that protect assets, preserve the environment, and save lives.

“

Never be afraid of taking on the 'big' problems, and never be afraid of failure.”

*Steven L. Blue*

Steven is also an internationally recognized business transformation expert. His inspiring keynote speeches have helped many C-suite executives to maximize their company's Innovational Potential® and double or even quadruple their company's growth. Moreover, Steven is also a published author of five books, including a best seller.

Talking about his journey and Miller Ingenuity, Steven shares, “I have 40 plus years' experience as

a 'been there, done that' CEO. Never be afraid of taking on the 'big' problems, and never be afraid of failure. I am proud that Miller Ingenuity continues to successfully adapt and transform itself as a high technology safety supplier in the rail industry, and that's unequivocally because of our people and our culture."

This issue also includes features stories and insights from other established leaders, including Dr. Thomas J.

Bussen's article on Diversity and

Inclusion in workplace, the Kindness

Cause Story by Mandy Cordia, and interviews of leaders like Vladimer Botsvadze and young entrepreneur Jordan Cullen.
