

Aspire Systems recognized as a Great Place to Work for Women yet again

Aspire Systems has been recognized with two awards for its diversity initiatives, India's Best Workplaces™ for Women 2022 and Best Companies for Women in India.

CHENNAI, TAMIL NADU, INDIA, November 11, 2022 /EINPresswire.com/ -- Aspire Systems, a technology services provider with offices spread across the globe, has been recognized recently with two awards for its diversity initiatives. The organization made it to India's Best Workplaces™ for Women 2022. This award is conferred by the Great Place to Work® Institute to organizations that promote and embrace diversity and gender equity for women in the workplace. Aspire has received this recognition for the fourth time in a row. The organization has also been recognized as one of the Best Companies for Women in India (BCWI) as a part of the Avtar & Seramount Best Companies for Women in India study. The awards are a testament to the organization's efforts in building and maintaining an inclusive work environment for its people.

Commenting on this double achievement, Dinesh Kumar, Global Vice President - Human Resources, said, "Being a people-centric organization, we have always believed in providing equal opportunities for all. With our focused people practices and dedication from Aspirians, we are able to achieve a diversity ratio of 35%, which is well above the industry benchmark. As an organization committed to the well-being of our people, we are working to strengthen our diversity initiatives and to make Aspire a great workplace for all."

Great Place to Work® Certification is recognized globally, and every year, more than 10,000 organizations from over 60 countries across more than 20 industries take part in the assessment by Great Place to Work® Institute, benchmarking and planning actions to strengthen their workplace culture.
