Up for auction are 11 single family homes, one two-family home, and many parcels of vacant land, several with 5 or more acres.

Anyone interested in buying property at the auction is urged to watch a “Bidder's Seminar” conducted by company representatives and is particularly useful for those participating in the tax foreclosure auction for the

first time. The seminar is a great opportunity to learn about the Article 11 auction process.

Auction registration is online only sent via email link from the auctioneer. Registration needs to be completed by Friday, November 18th. Successful bidders will be required to place an immediate deposit of \$250.00 or 20% of the total contract price (whichever is higher) at the

auction. All properties are sold "as is" and officials suggest prospective bidders complete their research prior to bidding at the auction.
