

Just announced our Red Moon Selection for Newark, Italy and me (Lulu.com) on Film Freeway

a Red Moon Selection for Newark, Italy and me (Lulu.com). We started surveying historic sites 4 years ago but Covid-19 hit and our plans went into abeyance.

NEWARK, NJ, UNITED STATES,
November 13, 2022 /

EINPresswire.com/ -- Four years ago, I started surveying historic sites in conjunction with my Newark, Italy and me (Lulu.com) book in the First Ward Historic District here in Newark. There is a broader Italo-American community in NJ and across the USA. Then Covid-19 hit and these plans went into abeyance.

NEWARK, ITALY AND ME received a 5 star review by PRIMO magazine on Amazon.com. There is so little material on Italian-American history that I started to think about a documentary non-commercial film. We thought it would be very exciting to turn this into a documentary film with community support from the USA and Italy as well. At this point, we prepared a web site on Film Freeway where we already won 22 Awards/Citations for SACCO & VANZETTI: BURN !!! We also received 6 more Awards/Citations for DEATH OF HERCULES from Sophocles' rarely seen tragedy THE WOMEN OF TRACHIS.

WE ARE LOOKING FOR CHARITABLE SUPPORT FOR THIS PROJECT FROM OUR COMMUNITY AND FRIENDS FOR 2022-23.

We are always grateful for support of our Award winning work.

You can donate with this link as well.
