

PUBLICATION OF AARON CARTER MEMOIR POSTPONED

WEST PALM BEACH , FL, UNITED STATES , November 13, 2022 /EINPresswire.com/ -- Atherton Galardi Mullen & Reeder PLLC founder Scott Atherton is currently representing [Ballast Books](#) and author Andy Symonds in connection with the book titled, "Aaron Carter: An Incomplete Story of an Incomplete Life." At his clients' request, Mr. Atherton makes the following statement:

Aaron Carter wanted his story told. And he wanted our client, Andy Symonds, a well-respected journalist, and author, to tell that story with all its beauty and rawness.

Public attention has recently focused on a small number of interactions during Mr. Carter's early years. The more important story is about Mr. Carter's life and what people can learn from his professional success, personal struggles, and tragic passing.

Out of respect for the Carter family, my client has decided to defer the further release of the book at this time. Mr. Carter was not just a celebrity but also a father, a brother, a son, and a friend to many still grieving for him.
