

Blue Sky Lithium Mining New Logo & Website

Blue Sky Lithium finished a complete rebrand and social media launch. The growth and demand of the lithium market we felt it was a good time for a fresh look.

SÃO PAULO, SÃO PAULO, BRAZIL,
November 13, 2022 /

EINPresswire.com/ -- [Blue Sky Lithium](#) has finished a complete rebrand and social media launch. The growth and demand of the lithium market we felt it was a good time for a fresh look.

Rio De Janeiro Brazil – The Blue Sky [Lithium Mining](#) CO, a lead producer of lithium carbonate, and lithium hydroxide for lithium ion batteries. Has announced today the completion of a major rebranding along with new website. The rebrand and website for Blue Sky Lithium Mining CO reflects the companies rapid grown and expansion in recent years.

“

We think the new logo and website represents how the company is growing with the global need for clean green energy.”

CEO Frederick Astor

its growing business model.

“We think the new logo and website represents how the company is growing with the global need for clean green energy,” said CEO Frederick Astor. “Specifically, the old logo and brand represents where we’ve been, and the new logo and website represents where we’re going.”

Press Release The Blue Sky Lithium has finished a complete rebrand and social media launch. The growth and demand of the lithium market we felt it was a good time for a fresh look.

The company founded in 2018 as a lithium wholesale company, but grew into artisan lithium mining businesses with lithium hard rock and brine mines in South America. In the last 5 years, the company has developed and grown a B2C business that now accounts for nearly 80% of sales.

The company will change and release a new logo website redesign and social media presence that will all work with

He noted Blue Sky Lithium new brand shows the company commitment to help Creating a Brighter Future for the earth and green energy.
