EINPresswire.com/ -- Worldwide Jewish kiruv organization BeEzrat Hashem Inc. has just announced their new film Gehinnom The Movie. The film is unlike any Torah movie that’s ever been produced. The nearly three hour movie

contains hundreds of Torah sources as well as scientific evidence in order to distill the truth about Gehinnom (Hell). It’s set to be released in December of 2022.

Gehinnom The Movie by BeEzrat HaShem Inc.

Rabbi Yaron Reuven has successfully produced previous Torah movies such as: “Tikkun Habrit The Movie”, “HaShem Took Back His Millions”, “Chibut HaKever”, and “World of Lies”. These films have reached tens of millions of views across the multilingual channels and app by BeEzrat HaShem. Yet, Rabbi Reuven describes this new movie as: “the most powerful Torah film in history”.

“

a project like this is simply unheard of because no one has done it”

*Rabbi Yaron Reuven*

Currently, one of Rabbi Reuven’s most popular traditional Torah lectures is [“GEHINOM - MUSSAR Pirkei Avot \(84\)”](#). It has over 56 thousand views on Rabbi Yaron Reuven’s primary YouTube channel with thousands of additional views on other channels and the BeEzrat HaShem App. However, that lecture has only part of the information on the subject. The new Gehinnom movie contains more sources and details that weren’t previously included. The film has Torah sources quoted on screen from: Tanach, Gemara, Chassidut, Midrashim, Rishonim & Achronim, and Halacha. In addition, it has scientific studies and real life stories.

Rabbi Reuven has also announced a sponsorship campaign for the movie: "This is something that I would say is, by far, the best investment you can make in the Torah world right now just simply because there's nothing like it...a project like this is simply unheard of because no one has done it."

The Tikkun Habrit Movie sponsorship campaign is currently at 121% of its original goal and it has reached over 10 million views subtitled in multiple languages worldwide. This time, sponsorships for Gehinnom the Movie includes the option to have your family name added to the intro and/or credits. Since the movie will be released next month, this opportunity is only available until midnight November 30th 2022.
