Newly Leased CSL Plasma Space in Bishop Plaza

Matanky Realty Group

Finding a space that fulfilled CSL Plasma's extensive requirements posed as a challenge. Our team at MRG assessed their needs and presented a commercial property that exceeded expectations.

CSL Plasma selected a 13,252 SF space, unit 1418 within Bishop Plaza, which is situated across from a U of I Health medical facility. This space converted into a medical facility which possesses the materials and layout necessary to best serve the employees and plasma donors of CSL both functionally and aesthetically. These features when paired with the large amount of local traffic surrounding Bishop Plaza, located on 47th & Bishop in Chicago, place this highly visible and easily accessible center in a position to achieve success.

Matanky Realty Group feels honored to continue to shape communities by serving the neighborhoods of Chicago as we have done since 1955. We are thrilled to have a new addition to our success story and have the utmost confidence that CSL Plasma will find great success within Bishop Plaza.
