GRAND RAPIDS, MI, USA, November 15, 2022

[/EINPresswire.com/](https://EINPresswire.com/) -- Our Daily Bread Publishing has announced the release of the new book, *Christmas Changes Everything: How the Birth of Jesus Brings Hope to the World* by Elisa Morgan — Available now wherever books are sold. Morgan, named one of Christianity Today's top 50 female influencers of the church and culture, is a popular author and radio/podcast host, and president emeritus of MOPS International.

Christmas changes everything—the course of history and the course of our lives. Nowhere is this more evident than in the stories of the men and women who experienced the first Christmas. From Zechariah's encounter with an angel in the temple to the Magi who traveled to a village in the Judean wilderness, Christmas influenced who they were, who they would become, and how they would live out their faith—or leave it behind.

In *Christmas Changes Everything*, beloved author Elisa Morgan explores how God coming to earth as a human child transformed each of the biblical characters who experienced it firsthand, and she reveals how the lessons of the first Christmas can change us today. We learn to say yes to God, accepting His design for our lives. We learn to rejoice, even when we don't understand His ways. And we learn to hope expectantly, confident that He will fulfill all His promises to us.
