*Young Boston based rapper J Will J joins Zeptagram for his songs; 'True Love' and 'F\*\*kin' Bored'*

GOTHENBURG, VÄSTRA GÖTALAND COUNTY, SWEDEN, November 25, 2022 /EINPresswire.com/ -- Born in Boston, MA -to a history teacher for a mother and tech & journalism teacher as a father. J Will J was introduced at a young age to writing music. His godfather's son started teaching him to write his own songs when he was 5 and he developed a need for songwriting by 9 through the trials and tribulations of his youth.

By 12 his passion for songwriting and composing shifted from writing classic rock to hip hop and rap. He started teaching himself how to engineer, record and produce himself at 17 with equipment he borrowed from the school his parents taught at in Shanghai. Will's father encouraged him to record in the empty classrooms after school. He speaks only on his own life and the realities he's lived through. Will shares his music with others because he feels he needs to. Every word he's ever said on a record, is the truth. Will delivers his writing with an authentic tone, empowering voice and style that is unique to him and him alone.
