

D&J Mechanical, LLC Helps People in Shirley and Monson, Maine With Heat Pump Installation Services

Heat pump installation company D&J Mechanical, LLC now serves Shirley and Monson, Maine with HVAC expertise and trusted heat pump services.

MONSON, MAINE, UNITED STATES,
November 21, 2022 /

EINPresswire.com/ -- Respected HVAC company [D&J Mechanical, LLC](#) brings its heat pump installation service to residents and business owners in Shirley and Monson, Maine. With the addition of Shirley and Monson, the expert heat pump installer now serves ten towns in Piscataquis County, six towns in Penobscot County, and two towns in Somerset County.

Maine is known for its cold and snowy winters, with temperatures regularly dropping to 15°F and lower in central Maine. Due to their energy efficiency and performance, quality heat pumps are increasingly popular in the central Maine towns of Monson and Shirley. D&J Mechanical, LLC offers a comprehensive heating and cooling solution. From heat pump installation to ongoing maintenance programs and emergency repairs, everything is taken care of.

"We're excited to help people with [heat pump installations in Monson](#) and Shirley," said Dan Hartford, owner and operator of D&J Mechanical, LLC. "We specialize in Mitsubishi mini-split systems, which offer best-in-class quality and industry-leading performance. We provide a complete service, from installation to system maintenance and efficient repair. We also help customers to maximize their Efficiency Maine rebates."
