About HRO Today

HRO Today's Baker's Dozen Customer Satisfaction Rating: Pre-Employment Screening is based on quantitative rankings and feedback from approximately 1,200 verified customers from over 550 client companies through an online survey on categories including service breadth, deal sizes, and service quality. The customer survey data used to achieve this recognition is based primarily

on customer satisfaction. To achieve inclusion on the Baker's Dozen list, companies are rated anonymously by their clients.
