

# Equator Releases The Ultimate In-Home Humidor For Cigar Collectors

*Equator's CH 140 is equipped with a hygrometer and aromatic cedar shelves, cigar enthusiasts can store their entire collection in the optimum environment.*

HOUSTON, TEXAS, UNITED STATES OF AMERICA, November 16, 2022 /EINPresswire.com/ -- Just in time for the holiday season, Equator Advanced Appliances has announced the release of their 1.4 cu.ft. Black [Cigar Humidor](#) Hygrometer with Cedar Wood Shelves. Designed as an upscale in-home storage solution, this [humidor](#) makes the perfect gift for cigar enthusiasts.

"We're pleased to announce the launch of one of our most exciting and advanced appliances to-date: the Equator Cigar Humidor," said Nick Mathews of Equator Advanced

Appliances. "Our team is confident that this model will impress even the most discerning of cigar collectors, thanks to its top-tier features and unparalleled design."

The Equator 1.4 cu.ft. Black Cigar Humidor Hygrometer with Cedar Wood Shelves is freestanding and measures 17.32 x 25 x 15 (HxWxD in inches). This unit is powered by an eco-conscious compressor, ensuring that energy use is kept to a minimum.

Looking at the interior, the CH 140 model boasts 1.4 cubic feet of storage space, along with two aromatic cedar wood shelves. Created with a single temperature zone design, the interior temperature can be set between 59°F and 72°F (the optimum range for all cigar types). Even more important than the temperature, the CH 140 has precise humidity controls. Effortlessly maintain the perfect humidity level between 65%-75% at all times. All of these settings can be changed using the sleek exterior LED display and touchpad controls.
