The 2022 Guadalajara International Book Fair Welcomes A Real- life Journey of Discovering God's Greatness

GUADALAJARA, MEXICO, November 18, 2022 /EINPresswire.com/ -- Guadalajara, JA— In John

“

“But I saw another person running beside me next to the nurses. It was a man on my left side who seemed very bright. He kept looking straight at me, eye to eye, and I saw him smiling at me.”

T. Ethan Gary

20:29, “Have you believed because you have seen me? Blessed are those who have not seen and yet have believed” — as they say, miracles happen to those who believe in them but how can someone give credence to something they haven’t seen nor felt? It has been a long debate whether God’s existence and miracles are real or not. Still, there are people who believe in His existence despite not seeing him.

“But I saw another person running beside me next to the nurses. It was a man on my left side who seemed very bright. He kept looking straight at me, eye to eye, and I saw

him smiling at me. This man was so bright around his face that I could not see his hair. I believed he was a guardian angel whom the Lord had sent down to walk with me down to the surgery room.” — Blessings, Trials, and Miracles: The Testimonies of Ethan Gary T. Ethan Gary’s Blessings, Trials, and Miracles: The Testimonies of Ethan Gary recounts his journey of discovering God and His greatness. This book will make its way at the 2022 Guadalajara International Book Fair this November 26-December 4, alongside some of the distinguished authors and writers of the industry.
