GUADALAJARA, MEXICO, November 18, 2022 /EINPresswire.com/ --

Guadalajara, JA — Patrick Earl Dwyer demonstrates the strength of human character, courage, and perseverance in his book, *Ascendancy*, a historical fiction novel that details the family saga of the Magoffin and O'Dwyers and their diaspora from Ireland circa 1800 to America, Australia, Jamaica, and Mexico. Together with Authors Press, Patrick's novel will be gracing the shelves of the Guadalajara International Book Fair, the world's largest market for publications of the Spanish community, slated for Nov. 26 - Dec 4 at the Expo Guadalajara.

The novel is a tale of triumph over tragedy of two families who, after repeatedly running into each other in America and Ireland during extremely volatile times, eventually intermarry. A historical fiction saga with action and romance, the novel weaves together fact and fiction to connect several historical figures and events in the struggle against oppression and tyranny for independence, liberation, and even existence. It's a tale with freedom and religious overtones that addresses the subject of slavery and illustrates how America grew to the West.
