

# The Gathering Garden Has Launched an Exclusive New Line of Floral Tablecloths

*The eCommerce site known for its nature-inspired gifts and interiors now has a garden of tablecloths; no green thumb is required to enjoy these all year round.*

CANTON, GEORGIA, UNITED STATES, November 18, 2022 /EINPresswire.com/ -- [The Gathering Garden](#) is excited to introduce its exclusive line of floral-inspired tablecloths. The website founded by Samantha Azzarelli and dedicated to furnishing gifts inspired by nature is now offering customers a "Garden of Tablecloths."

According to Azzarelli, "The Gathering Garden was inspired by my childhood, growing up in beautiful southwest Florida, with a beautiful garden in my backyard, picking fresh baby tomatoes, and fresh citrus in my grandparents' yard. I learned from a young age the beauty of nature and all that it provides to sustain us, to entertain us, and to nourish us."

With the introduction of the floral-inspired tablecloths, Azzarelli is staying true to her inspiration, and The Gathering Garden is adhering to the site's theme of stylish home décor items that bring a breath of fresh air and nature into the home.

“

We hope you will enjoy a selection of products inspired by nature!"
